

A stormy week in the Park (Picture time!)

Starting yesterday, and for the next several days, [we will have unsettled weather](#) in the Park. Which means a great opportunity to take pictures in the afternoon and take advantage of the unusual and ever-changing light.

We only hope the hailstones remain small! Airstreams and hail are not a good combo!

Here are a couple of my pics from yesterday. You can see them all [by clicking here!](#)
